

Name	Max Height	Classifications	Habitat and Growth Characteristic, Typical Uses and Description
CONIFER TREES			
Douglas fir 10 for \$7.50	250'		Well-drained soils. Used for windbreaks, firewood, and lumber. Fastest growing and most common conifer in Western Washington.
Grand fir 10 for \$7.50	200'		Tolerates moist-dry soil. Fragrant, symmetrical tree which grows quickly. Often used as Christmas trees and lumber.
Noble fir 10 for \$12	250'		Found in rich soils. Prized for form, stiff branches, groomed needles, bluish color. Often used for Christmas trees/ lumber.
Shore pine 10 for \$7.50	50'		Highly adaptable. Found in bogs, dunes and rocky hilltops. Rapid growth. Can be planted in rows for boundary screening.
Sitka spruce 10 for \$7.50	200'		Grows on moist sites, but not poorly drained soils. Stiff, bluish-green needles deter pests.
Western hemlock 10 for \$11	200'		Found on humus as well as mineral soils. Graceful downward-sweeping branches and feathery foliage. State tree.
Western red cedar 10 for \$7.50	200'		Prefers moist soils. Used for lumber, firewood. Majestic J-shaped branches. Does not tolerate full sun when young.
BROADLEAF TREES			
Big-leaf maple 5 for \$7.50	115'		Dry to moist sites, often with Douglas fir. Handles disturbed sites well. Attractive moss, lichens and ferns grow on mature trees.
Bitter cherry 5 for \$7.50	40'		Has attractive reddish bark. Attracts birds, butterflies and wildlife for food and shelter. Good alternative to invasive cherry species.
Cascara 5 for \$7.50	35'		Small, slender tree with glossy leaves. Very versatile and resilient. Fruits are good wildlife forage.
Oregon ash 5 for \$7.50	75'		Tough-wooded tree with unique compound leaves. Fast-growing and unpalatable to beavers.
Pacific willow 5 for \$7.50	45'		Grows in wet margins and wet meadows. Attractive features year-round. Great for shading and stabilizing streams.
Paper birch 5 for \$7.50	90'		Has distinctive white, peeling bark and attractive leaves, particularly with autumn color. Often used as an ornamental. Prefers moist soils.
Red alder 5 for \$7.50	90'		Very fast-growing tree. Does well in disturbed sites, and fixes nitrogen into the soil. Has attractive lichen-loving bark.
SHRUBS			
Baldhip rose 5 for \$7.50	5'		Has attractive pink flowers and lacy leaves. Is bristled rather than thorny. Rosehips are "bald" when sepals fall away. Fast-growing.
Pacific ninebark 5 for \$7.50	10'		Has cinnamon-colored, peeling bark and clustered white flowers. Excellent at soil-binding, and is great for restoration and hedges
Pacific rhododendron 5 for \$18	12'		Beautiful clusters of large pink flowers against whorled leathery leaves. Great in both forests and landscaping. State flower.
Red elderberry 5 for \$7.50	15'		Distinct arched branches and compound leaves. Pyramidal white flowers and red berries - great for wildlife. Absorbs soil toxins.
Red Flowering Currant 5 for \$7.50	6'		Erect, multi-stemmed shrub with showy hanging clusters of deep pink flowers in early spring.
Red osier dogwood 5 for \$7.50	8'		Fast-growing thicket-forming, with bright red stems and clusters of white flowers. Easily pruned in landscaping or great in a natural setting.
Tall Oregon grape 5 for \$8.50	6'		Dark, glossy leaves and bright yellow flower clusters. Great in disturbed areas, landscaping, and hedges. Good alternative to invasive holly.
Thimbleberry 5 for \$7.50	6'		An upright bramble shrub with no thorns. Has large, velvety leaves and delicious tart thimble-shaped berries. Tolerates browsing.
Western serviceberry 5 for \$7.50	15'		Attractive branching pattern and thin, oval leaves. Produces fragrant, showy white flowers and a sweet, berry-like fruit. Well-drained soils.
GROUND COVERS & VINES			
Coastal strawberry 5 for \$11.50	8"		Perennial which spreads quickly through stolons and rhizomes. Binds soil. Has attractive white flowers and delicious berries.
Orange trumpet honeysuckle 5 for \$15	20'		Climbing vine with clusters of tubular bright orange flowers. Valuable nectar and berries for wildlife - great attractant for hummingbirds!
Salal 5 for \$11	4'		Creeping to erect evergreen shrub with branching stems and leathery leaves. Common in landscaping and forests.
Seashore lupine 5 for \$5	3'		Robust perennial with attractive spires of blue-purple flowers. Good in landscaping, disturbed areas, and natural settings. Nitrogen-fixer.
Sword fern 5 for \$12	3'		Robust deciduous fern with large dark green fronds. Common in forests and landscaping. Provides amphibian habitat.
EXTRAS			
Tree Tubes and Stakes 10 for \$22	2'		Plastic plant coverings which protect seedlings from rodent, deer, and trimmer damage.
Plantskydd Animal Repellent 1 box for \$26	1 lb.		Very effective odor-based herbivore repellent. Lasts 3-4 months in the growing season and up to 6 months in the winter.
